OK The Intro Goes like this...
Downstrum Hard

Guitar One
E-Asus x8

E-Asus-B
Then Just Play this Until the Chorus

then comes the fun part wich is played on the second guitar on the last two strings...

e--4h5-5-5-4-----
B-----5-0-0-5-0-7-- guitar 2 repeats this over guitar one

E Asus B **E**
There ll never be another quite like you
Asus B **E**
I m so involved with everything you do
Asus B **E**
Don t say nothing good will ever come of this
Asus B
Don t say the damage is worse than it is

Chorus

Asus **B**
Back in Metropolis, circuses and elephants
Asus **E**
Where the oranges grew
Asus **B**
Back in Metropolis nothing can ever topple us
Asus **E**
When I m standing with you

Intro Strum for 4x

Asus B **E**
You stare down at some crowd from your trapeze
Asus B **E**

And when you fell they fell down on their knees

Asus B **E**

And when you broke they scrambled for a piece

Asus B

And when you spoke I felt their anger freeze

Chorus

Asus B

Back in Metropolis, circuses and elephants

Asus E

Where the oranges grew

Asus B

Back in Metropolis nothing can ever topple us

Asus E

When I m standing with you

Asus B

Back in Metropolis talk about a holocaust

Asus E

And then visit the zoo

Asus B

Back in Metropolis the weather is ridiculous

Asus E

What s it all leading to

Bridge

Asus E

And it s only a day away

Asus E

We could leave tonight

Asus E

You could sleep along the way

Asus E

Dream in black and white

Back to The Intro

Chorus once then...

Asus B

Back in Metropolis

Asus E

What s it all leading to

Asus B

Back In Metropolis

Asus E

What s it all leading to

Fade Out
