### The City Harmonic

Spark - The City Harmonic

(Capo 1)

[Verse 1]:

          A          D      A                  D  A      F#m  
Could a spark of Your love light a fire in me?  
          A                  D      A                  D  A          F#m  
Just a spark. Warm my cold heart. It s the living that breathe.  
          D      A                  D      A                  D      A  E  
When I breathe in hope and breathe in grace and breathe in God  
          D      A                  D      A                  D      A  E  
Then I ll breathe out peace, breathe out justice, breathe out love.

[Chorus]:

      F#m                  D                  E  
Oh, this little light s gonna shine  
F#m                  D                  E  
With just a spark light a fire  
          D  A      D  A      D  A      E  
Just a spark

[Verse 2]:

          A          D      A                  D      A      F#m  
Could a spark of Your love light the whole Church on fire?  
          A                  D      A                  D  A      F#m  
When we care for our neighbor more than we care for style?  
          D      A                  D      A                  D      A  E  
When we breathe in hope, and breathe in grace, breathe in God  
          D      A                  D      A                  D      A  E  
Yeah we ll breathe out peace, breathe out justice, breathe out love

[Chorus]

      F#m                  D          A      E  
Just a spark could change my heart  
      F#m                  D          A      E  
Just a spark, come change my heart  
      F#m          D          A      E  
Just a spark is just a start  
      F#m  D          E          A  
Light a fire in my heart  
  
      F#m  D          A

Light a fire in my heart

**F#m D A**

Light a fire in my heart

**F#m D A**

Light a fire in my heart

**F#m D E**

A fire in my heart

**A**

With just a spark
