

Birds Of A Feather
The Civil Wars

I was hoping to find chords to this wonderful song already on the web, but I had no luck with my search.

So here are the chords I came up with after listening to the song carefully. I had some trouble figuring out how to label each chord because some aren't normal or common, but I did my best.

To get the strumming down, I recommend trying to play along with the recording. Enjoy!

Verse:

D **Dm**
Where she walks, no flowers bloom
Cadd9 **G** **D**
He's the one I see right through
D **Dm**
She's the absinthe on my lips
Cadd9 **G** **D**
The splinter in my fingertip

Chorus:

F **C** **Dm** **Dsus2**
But who could do without you?
F **C** **Cadd9** **Asus2**
And who could do without you?

Verse:

She's the sea I'm sinkin' in
He's the ink under my skin
Sometimes I can't tell where I am
Where I leave off and he begins

Chorus:

But who could do without you?
And who could do without you?

Bridge:

D **Dm** **Cadd9** **G** **D**
Oh, we're a pretty, pretty pair, yes we are
D **Dm** **Cadd9** **G**
All, all the king's horses and all of his men couldn't
F **C** **Dm** **Dsus2**
Tear us apart Oooo
F **C** **Cadd9** **Asus2**
Aaaaah Ooooo

Verse:

Dancing with a ball and chain
Through it all we still remain
Butterflies around the flame
Till ashes, ashes, we fade away
