[Verse]

```
Am                               Em  
Dance me to your beauty with a burning violin  
Am                               Em  
Dance me through the panic til I m gathered safely in  
Am                               Em  
Lift me like an olive branch and be my homeward dove  
B7                               Em  
Dance me to the end of love  
B7                               Em  
Dance me to the end of love  
Am                               Em  
Oh let me see your beauty when the witnesses are gone  
Am                               Em  
Let me feel you moving like they do in Babylon  
Am                               Em  
Show me slowly what I only know the limits of  
B7                               Em
