[Verse 1]

D

Why are you so far from me?

Em G

In my arms is where you ought to be

How long will you make me wait?

Em G

I don't know how much more I can take

[Chorus]

G

I've missed you

Bm Bm/A

But I haven't met you

G

Oh, but I want to

D

How I do

[Verse 2]

Slowly counting down the days

Til I finally know your name

The way your hand feels round my waist

The way you laugh, the way your kisses taste

[Chorus]

G

I've missed you

Bm Bm/A

But I haven't met you

G

Oh, but I want to

D

How I do

[Outro]

Dear whoever you might be

I'm still waiting patiently
