

Tracks In The Snow
The Civil Wars

I have always liked this song, but there are no chords posted anywhere so i decided to post them. (Note: This was played by ear so somethings might not be right but it all sounded right to me.)

*=ONLY STRUM ONCE

D

Oh, I hear the quiet now,

F **D**

Of paper airplanes falling down.

D

Oh, the branches of every tree

F **D**

Bend like a cathedral over me

CHORUS:

F

Down where the river bends

C

Everyoneâ€™s waiting

F

G

But thatâ€™s not the reason Iâ€™m making the tracks in the snow.

D*

C*

G*

Thereâ€™s a box in my hands as I go

D* **C*** **G*** **D**

Wrapped up in scarlet and gold for you.

VERSE 2:

D

Oh, thereâ€™s a choir upon the wind

F **D**

Singing all familiar hymns.

D

My ears, theyâ€™re playing tricks on me

F **D**

I can almost hear your harmony

CHORUS:

F

Down where the river bends

C

Thatâ€™s where youâ€™re waiting

F

G

But thatâ€™s not the reason Iâ€™m making these tracks in the snow.

D* **C*** **G***
Thereâ€™s a box in my hands as I go
D* **C*** **G*** **C**
Wrapped up in scarlet and gold for you.

(I couldnâ€™t figure out the instrumental part so I just played the chords of the chorus again)

F **C** **F** **G**
CHORUS:
F
Down where the river bends
 C*
Nobodyâ€™s waiting
 F **G**
But thereâ€™s still a reason Iâ€™m making these tracks in the snow
D* **C*** **G***
Down at the end of the road
D* **C*** **G***
Ill clear a place in the snow
D* **C*** **G*** **D**
And leave this box wrapped in scarlet and gold for you.

I hope that was somewhat right. Enjoy!
