In my arms
    F#m7 Cmaj7
When I awoke dear
D/F#           Em
I was mistaken
F#m7           Em                Am           Em
```

and I hung my head and cried

[Verse]

**Em**  
I ll always love you  
**F#m7 Em**  
and make you happy  
**F#m7 Cmaj7**  
If you will only  
**D/F# Em**  
Say the same  
**F#m7 Cmaj7**  
but if you leave me  
**D/F# Em**  
To have another  
**F#m7 Em Am Em**  
You ll regret it all someday

[Chorus]

**Em**  
You are my sunshine  
**F#m7 Em**  
My only sunshine  
**F#m7 Cmaj7**  
You make me happy  
**D/F# Em**  
When skies are grey  
**F#m7 Cmaj7**  
You ll never know dear  
**D/F# Em**  
How much I love you  
**F#m7 Em Am Em**  
Please don t take my sunshine away

[Verse]

**Em**  
In all my dreams, dear, you seem to leave me  
**Cmaj7 Em**  
When I awake my poor heart pains.  
**Cmaj7 Em**  
So when you come back and make me happy  
**Em Am Em**  
I ll forgive you and take all the blame.

[Chorus]

**Em**

You are my sunshine

**F#m7 Em**

My only sunshine

**F#m7 Cmaj7**

You make me happy

**D/F# Em**

When skies are grey

**F#m7 Cmaj7**

You ll never know dear

**D/F# Em**

How much I love you

**F#m7 Em Am Em**

Please don t take my sunshine away
