Use the same chords throughout the first verse until otherwise noted.[/tab]

Verse 1:

You can scrutinize my actions, you can break me into fractions,
you can walk away

You can polarize my friends, destroy the letters that I send,
or you can run away

You can terrorize my neighbors, with your Mr. Hyde behavior,
you can drink away

You can exorcise your demons, bite and scratch and kick and scream,
you can act away

And if you ever open your eyes, you won?t find me standing in line[/tab]

Verse 2:

You can cauterize my feelings with your flaming tongue leaves me reeling,
you can talk away

You can compromise my passion, call me fake and call me fashion,
you can write away

You can rationalize a purchase with my money and say it's worth it
You can tear me up or tie me down and kick me on the ground

Verse 3:

You can find a brand new lover, run away and then discover
You can't outrun your actions, you can't get no satisfaction
