Transcribed by Chris Choncek (con1@fyi.net OR choncek@alltel.net)

Listen to the CD to get the strumming and picking sequence. Here s the basic
chords anyhow. Enjoy!

G **D** **C** **G**
There s a penny on the floor and you re gone, the television s on.
D **C**
Have you found another man to take my place.
G **D** **C** **G**
There s a penny on the floor and I m wise, I try to see in your eyes.
D **C**
But all I see is a reflection of my face.

There s a penny on the floor and you re gone, I m trying to right what s wrong.
A stronger man might do it with more grace.
There s a penny on the floor but I m wise, I look up to the skies.
I cry and pray, and I stare out into space.

Chorus:

G **D**
There s a penny on the floor, and you re standing at the door
Em **C** **G** **D** **C**
turn around and say goodbye. A woman like you comes around just once a life.

There s a penny on the floor and I m strong. I ll try to carry on,
Realizing no one can take your place.
There s a penny on the floor and I m fine. I know it s gonna take some time
Before I look at you without looking at my own face.

C **D** **C**
D

Penny on the floor. I m tired of the war. Penny on the track. Are you comin
back?

There s a penny on the floor and it stays, as a tribute to the days
That were spent with you, no one can take them away.
There s a penny on the floor and it stays, as a tribute to the ways
You filled my soul with courage, hope and grace.

Repeat Chorus:

There s a penny on the floor, and you re standing at the door
Turn around and say goodbye.
A woman like you comes around who won t bring me down.
