Rain by The Clarks  
Transcribed by Chris Choncek

Note: This is the key in which I like to sing the song.  
It may not be totally correct, but it sounds okay.

**A E F#m D E**  
Well, we've all been through it, thinking times are tough

And I'll see you through it, when you've had enough  
**D E A E D**  
And I'll be beside you, many feelings the same  
**F#m E D F#m E A**  
Give back the ruin, give back the rain

Well, we've both felt lovely, things are going our way  
May you rise above me, may you have your day  
And I'll be proud of you, When I call out your name  
Give back the ruin, give back the rain

**Bm E C#m**  
And you know its the only bridge I know  
**F#m**

That's still above water

**Bm D E**  
I'm praying my insurance is gonna pay

**Bm E C#m**  
And you know its the only road I know  
**F#m**

That's still above water

**Bm D E**  
I'm praying my family is gonna stay

Well, we've both been better, or worse I suppose  
And I got your letter, and I washed your clothes

And I'll be right with you, every step of the way  
Give back the ruin, give back the rain

And I'll be proud of you, when I call out your name  
Give back the ruin, give back the rain
