G But he never hurt nobody G С G He just loved to live that way G C D And he loved to steal your money С G G Some is rich, and some is poor G С G (eh?) That s the way the world is G С G But I don t believe in lying back С D G Sayin how bad your luck is So we came to jazz it up We never loved a shovel Break your back to earn your pay An don t forget to grovel The old man spoke up in a bar Said I never been in prison A lifetime serving one machine

While we was being clever Someday you ll meet your rocking chair Cos that s where we re spinning There s no point to wanna comb your hair When it s grey and thinning Run rabbit run Strike out boys, for the hills I can find that hole in the wall And I know that they never will
