CHORUS

D Bm  
Charlie don t surf and we think he should  
D Bm  
Charlie don t surf and you know that it ain t no good  
D Em7  
Charlie don t surf for his hamburger Momma  
F#m7  
Charlie s gonna be a napalm star  
RIFF (you can strum with a x-x-0-4-0-2 ? rather than the riff)  
Everybody wants to rule the world  
Must be something we get from birth  
One truth is we never learn  
Satellites will make space burn  
D Bm  
We ve been told to keep the strangers out  
D Bm  
We don t like them starting to hang around  
D Em7  
We don t like them over town  
F#m7  
Across the world we are going to blow them down

CHORUS

RIFF

The reign of the super powers must be over  
So many armies can t free the earth  
Soon the rock will roll over  
Africa is choking on their Coca Cola  
D Bm  
It s a one a way street in a one horse town  
D Bm  
One way people starting to brag around

D                    Em7  
You can laugh, put them down  
F#m7  
These one way people gonna blow us down  
CHORUS  
Charlie don t surf he ll never learn  
Charlie don t surf though he s got a gun  
Charlie don t surf think that he should  
Charlie don t surf we really think he should  
Charlie don t surf  
Charlie don t surf and we think he should  
Charlie don t surf and you know that it ain t no good  
Charlie don t surf for his hamburger Momma  
Charlie don t surf
