Corner Soul The Clash

F#m7

Is the music of grove skin rock

Soaked in the diesel of war boys war?

Blood, black gold and the face of a judge

Is the music calling for a river of blood?

Beat the drums tonight, Alphonso

Spread the news all over the grove

The big meeting has decided

That total was must burn on the grove

Does it mean I should take my machete

To chop my way through the path of life?

Does it mean I should run with the dog pack

F#m7

Is that the way to be the one to survive?

Α

Never need a gun says Tai Shi

Bm

Move on up to dragon snaps his tail

Fall back on still waters

F#m7

Hammer with his eye on the nail

Spread the word tonight please, Sammy They re searching everyhouse on the grove Don t go alone now, Sammy! The wind has blown away the corner soul

Tell the news for me, Sammy They re searching every place on the grove But don t go down alone new, Sammy! The wind has blown away the croner soul

Is the music calling for a river of blood?
