

Every Little Bit Hurts
The Clash

Here is this great song its played on piano so no fancy arrangements here on guitar
just play around a bit with some transition chords. Theres some stuff missing like the intro it starts off with those chords the ending is some of the chords in the bridge.
If anyone figures out exactly what please let me know fer_noise@hotmail.com

Intro

C# F# C# F#

C# F# C# F#
Every little bit hurts, every little bit hurts

C# Fm7
Every night I cry, every night I sigh

Bbm C# G#7
Every night I wonder why you treat me cold, but I cant let you go

F#
Every little hurt time, every little hurt time

C# Fm7
You say your coming home but you never phone

Bbm C# G#7
Leave me all alone My love is strong for you I do long for you

F# C# Fm Bbm C#
I can t take this loneliness Youâ€™ve given me
F# C# Fm Bbm G# A
I can t go on I can t go on Giving my life away
Bbm G# A Bbm G# A
Oh come back to me, darling, you ll see

Bbm Bbm Bbm Bbm Eb7
I can give you all the things that you wanted me for

G#7
If you will stay with me, yeah

C# F# C# F#
Every little bit hurts, every little bit hurts

C# Fm7
Every night I cry, every night I sigh

Bbm C# G#7
Every night I wonder why you hurt me desert me

F#

C# Fm7

F# C# Fm Bbm G# A

F# C# Fm Bbm C#
I can t take this loneliness Youâ€™ve given me
F# C# Fm Bbm G# A
I can t go on Giving my life away
Bbm G# A Bbm G# A
Oh come back to me, darling, you ll see

Bbm Bbm Bbm Bbm Eb7
I can give you all the things that you wanted me for

G#7
If you will stay

C# F# C# F#
Every little bit hurts, every little bit hurts
