```
E                                          B
Let me tell you  bout Wayne and his deals of cocaine
  A
A little more every day
        E                      G#m
Holding for a friend till the band do well
           B                    E
Then the D.E.A. locked him away
E                    A           E
Clang clang, go the jail guitar doors
E                  A             E
Bang bang, go the boots on the floor
E                  A                E
Cry cry, for your lonely mother s son
E                    A7
Clang clang, go the jail guitar doors
An  I ll tell you  bout Pete, didn t want no fame
Gave all his money away
 Well there s something wrong, it ll be good for you, son
And so they certified him insane
And then there s Keith, waiting for trial
Twenty-five thousand bail
If he goes down you won t hear his sound
But his friends carry on anyway
Fuck  em!
