

**London's Burning**  
**The Clash**

Intro: **A G D E** (4x)

**A G D G**  
All across the town, all across the night  
**A G D G**  
Everybody s driving with full headlights  
**A G D G**  
Black or white turn it on, face the new religion  
**A**  
Everybody s sitting round watching television!

**A G D E**  
London s burning with boredom now

**A G D G**  
I m up and down the westway, in an out the lights  
**A G D G**  
What a great traffic system - It s so bright  
**A G D G**  
I can t think of a better way to spend the night  
**A**  
Then speeding around underneath the yellow lights!

**A G D G**  
Now I m in the subway and I m looking for the flat  
**A G D G**  
This one leads to this block, this one leads to that  
**A G D G**  
The wind howls through the empty blocks looking for a home  
**A**  
I run through the empty stone because I m all alone!
