          G#                                      Bbm  
Yeh, you must treat your lover girl right  
Eb                                      C#  
If you wanna make lover s rock  
G#    Bbm    Eb              C#  
You must know a place you can kiss to make lovers rock  
          G#                                      Bbm  
Cause everybody knows it s a crying shame  
          Eb                                      C#  
But nobody knows the poor baby s name  
          G#    Bbm    Eb    C#  
When she forgot that thing that she had to swallow

You Western man, you re free with your seed  
When you make lovers rock  
But woops! there goes the strength that you need  
To make real cool lovers rock  
Cause a genuine lover takes off his clothes  
AND he can make a lover in a thousand go s  
An she don t need that thing that she had to swallow
