Spanish weeks in my disco casino
The freedom fighters died up on the hill
They sang the red flag, they wore th black one
But after they died it was Mockingbird Hill
Back home the buses went up in flashes
The Irish tomb was drenched in blood
Spanish bombs shatter the hotel
My senorita s nose was nipped in the bud

Chorus

The hillsides ring with, Free the people

Or can I hear the echoes from the days of 39?
With trenches full of poets, the ragged armies
Fixin bayonets, to fight the other line
Spanish bombs rock the province
I m hearing music from another time
Spanish bombs on the Costa Brava
I m flying in on a DC-10 tonight

Chorus :add at end...
