FAR FROM HOME - The Classic Crime

Tabbed by: JRib1216

This song sounds best and is easier if played with barre chords.

[VERSE:]

D **G** **B** **G**
Iâ€™ve got a bad taste in me
A
Itâ€™s like Iâ€™ve been robbed of something
D **A**
I once was in my childhood memories
D **G**
And itâ€™s buried in sandboxes back yard where we used to see
B **G** **B**
That dreams could come true if believed

[CHORUS:]

B **G**
The sidewalks scream our names
D
We are so
A
Far from home
D
Far from home

[VERSE:]

D **G** **B** **G**
Iâ€™ve got a bad pain in my heart
A
Itâ€™s like the first time that I looked in your eyes
D **A**
The first time it all fell apart
D **G**
And itâ€™s buried in sandboxes back yard where we used to see
B **G** **B**
That dreams could come true if believed

[CHORUS:]

B **G**
The sidewalks scream our names

G

All I have is words

To which Iâ€™m a slave

Hoping to save me

These pages will burn

And Iâ€™ll pass away

Yesterdayâ€™s gone
