I was just following orders

But when the glass shattered around me

F

I learned a good lesson about my disorder

I thought I was happy

I said all the right things

I naively believed that my ship couldnt sink

Verse 2:

F

You got hung up on the outside

Dm

You fake like youre living the good life

F

But death and decay on the inside

Dm

Just add pride and hate to your long list of crimes

Pre-Chorus 2:

Bb

Somewhere deep down you know the difference

F

Between love and following orders

And if the chorus I sing is offensive

its proof that youve yet to address your disorder
