Say The Word
The Classic Crime

Key: **E**

Intro: **A B C#m G#**

Heres how i play them.

```
   A     B     C#m     G#      F#(i just do a bar chord)
--0----0-----0------0---------|
--0----0-----0------0---------|
--2----4-----6------X---------|
--2----4-----6------6-----4---|
--0----2-----4------6-----4---|
--0----0-----0------4-----2---|
```

F#   **C#m**   **A**
I had months to write a song
            B
That captured who you are
F#   **C#m**   **A**
But I fear I have done you wrong
   B
Because I ve failed you so far
F#   **C#m**   **A**
The chord that struck, an angel fell
                  B
The sky went dark and it all comes down
F#   **C#m**   **A**
The choices made, the lies forgotten
B
Oh, well

Intro Chords through the pre chorus and Chorus: **A B C#m G#**

Pre Chorus:
This is the way that I know
This is the way that I know
I would give everything for some hope

Chorus:
Are you different, could I be different too?
Nobody knows you, nobody knows you like I do

Verse 2: Same chords as verse one. **F# C#m A B**
There s a song outside my window
And it plays to your tune
And there s a life inside this pencil
And it lives for what is true

Cause I am lost for words, the cost for her
Was way to much to bear
You re not perfect, but I don t care

Intro Chords through the pre chorus and Chorus: **A B C#m G#**

Pre Chorus:
This is the way that I know
This is the way that I know
I would give everything for some hope

Chorus:
Are you different, could I be different too?
Nobody knows you, nobody knows you like I do

Are you different, could I be different too?
Nobody knows you, nobody knows you like I do

A C#m F# A x4
Say the word, say the word

Chorus: Same as the intro!

Are you different, could I be different too?
Nobody knows you, nobody knows you like I do

Yeah, woah

Are you different, could I be different too?
Nobody knows you, nobody knows you like I do
Are you different, could I be different too?
Nobody knows you, nobody knows you like I do
