I had months to write a song  
**A**  
That captured who you are  
**E Bm G**

The choices made, the lies forgotten  
**A**  
Oh, well

Verse 2: Same chords as verse one. **E Bm G A**  
There s a song outside my window  
And it plays to your tune  
And there s a life inside this pencil  
And it lives for what is true

Was way to much to bear  
You re not perfect, but I don t care
