|---|-----------|-----------|
| F | Cm | G# |
| I had months to write a song | | |
| | Bb | |
| That captured who you are | | |
| F | Cm | G# |
| But I fear I have done you wrong | | |
| | Bb | |
| Because I ve failed you so far | | |
| F | Cm | G# |
| The chord that struck, an angel fell | | |
| | Bb | |
| The sky went dark and it all comes down | | |
| F | Cm | G# |
| The choices made, the lies forgotten | | |
| | Bb | |
| Oh, well | | |

Intro Chords through the pre chorus and Chorus: **G# Bb Cm G**

Pre Chorus:
This is the way that I know
This is the way that I know
I would give everything for some hope

Chorus:
Are you different, could I be different too?
Nobody knows you, nobody knows you like I do

Verse 2: Same chords as verse one. **F Cm G# Bb**
There s a song outside my window
And it plays to your tune
And there s a life inside this pencil
And it lives for what is true

Cause I am lost for words, the cost for her
Was way to much to bear
You re not perfect, but I don t care

Intro Chords through the pre chorus and Chorus: **G# Bb Cm G**

Pre Chorus:

This is the way that I know
This is the way that I know
I would give everything for some hope

Chorus:

Are you different, could I be different too?
Nobody knows you, nobody knows you like I do

Are you different, could I be different too?
Nobody knows you, nobody knows you like I do

G# Cm F G# x4

Say the word, say the word

Chorus: Same as the intro!

Are you different, could I be different too?
Nobody knows you, nobody knows you like I do

Yeah, woah

Are you different, could I be different too?
Nobody knows you, nobody knows you like I do
Are you different, could I be different too?
Nobody knows you, nobody knows you like I do
