Intro:

F# D#m B2 F# C#

Verse 1:

B2 C# F#
We sing the same song you and I
B2 D#m B2 F# C#
With lead feet in deep water we cry out to live or die
B2 C# F#
Instead we tread in waves to stay alive
B2 D#m
Our heads above the grave but
B2 F# C#
there s no one to save us this time

Chorus:

F#
So I will sing
D#m
and you will hear me
B2 F# C#
and join the chorus so we can start again, oooh
F#
Our voices raised
D#m
are flawed but freeing
B2 F# C#
our souls so we can change and start again, oooh

Verse 2:

B2 C# F#
My life s a painting I ve done blind
B2 D#m B2 F# C#
With each brushstroke you ll watch me blur every solid line
B2 C# F# B2 D#m
Over this canvas I have stood with no one left beside me

B2 F# C#
no one to decide if it s good

Chorus:

F#
So I will sing
D#m
and you will hear me
B2 F# C#
and join the chorus so we can start again
F#
Our voices raised
D#m
are flawed but freeing
B2 F# C# D#m F#
our souls so we can change and start again, again, again, again, again
D#m F#
Again
D#m F# B2 C#
Yeah!

Chorus:

F#
So I will sing
D#m
and you will hear me
B2 F# C#
and join the chorus so we can start again
F#
Our voices raised
D#m
are flawed but freeing
B2 F# C# D#m F#
our souls so we can change and start again, again, again, again, again
B2 C#
Again, again.
