

**What Id Give Up
The Classic Crime**

VERSE 1

E
Woke up in a hotel, three hours of sleep last night
C#m A
Only thing real to me is a thirteen-hour drive
E
I lost my convictions, I have risked my life
C#m A
I ve seen the face of God through miles of black ice

CHORUS

E C#m
Oh, I just wanted you to know
A E B
What I d give up to give myself to you
E C#m
Oh, I just wanted you to know
A E B
What I d give up to give myself to you

VERSE 2

E
I had my foundations, but I threw them away
C#m A
Only thing real to me was moving, the rest was fake
E
But I ve got new direction, I feel winds of change
C#m A
Still I ve got my good reasons to stay the same, Oh oh oh oh

(Chorus)

BRIDGE

F#m A B
No, I don t need it anymore
F#m A B
The hotel floors, the stage, the lights, the road
F#m A B
All I want to do is build a home, because
F#m A B
You ve got my heart and my soul

(Chorus)
