

What Id Give Up  
The Classic Crime

VERSE 1

**F#**

Woke up in a hotel, three hours of sleep last night

**Ebm B**

Only thing real to me is a thirteen-hour drive

**F#**

I lost my convictions, I have risked my life

**Ebm B**

I ve seen the face of God through miles of black ice

CHORUS

**F#**

**Ebm**

Oh, I just wanted you to know

**B**

**F#**

**C#**

What I d give up to give myself to you

**F#**

**Ebm**

Oh, I just wanted you to know

**B**

**F#**

**C#**

What I d give up to give myself to you

VERSE 2

**F#**

I had my foundations, but I threw them away

**Ebm B**

Only thing real to me was moving, the rest was fake

**F#**

But I ve got new direction, I feel winds of change

**Ebm B**

Still I ve got my good reasons to stay the same, Oh oh oh oh

(Chorus)

BRIDGE

**G#m B C#**

No, I don t need it anymore

**G#m B C#**

The hotel floors, the stage, the lights, the road

**G#m B C#**

All I want to do is build a home, because

**G#m B C#**

You ve got my heart and my soul

(Chorus)
