The Click Five

the click five - Emtý (hoaxdennis)

G **C/G**
tried to take a picture
Em
of love
C/G
Didn't think I'd miss her
Em
That much
C/G
I want to fill this new frame
G
But it's empty
G **C/G**
Tried to write a letter
Em
In ink
C/G
It's been getting better
Em
I think
C/G
I got a piece of paper
G
But it's empty
C/G **Em**
It's empty

Chorus:

G **Em**
Maybe we're trying
C/G
Trying too hard
Em
Maybe we're torn apart
C/G
Maybe the timing
D
Is beating our hearts
G **C/G** **Em**
We're empty

G **C/G**
And I ve even wondered
Em
If we
C/G
Should be getting under
Em
These sheets
C/G
We could lie in this bed
G
But its empty
C/G **Em**
Its empty

Chorus:

G **Em**
Maybe we re trying
C/G
Trying too hard
Em
Maybe we re torn apart
C/G
Maybe the timing
D
Is beating our hearts
G **C/G** **Em**
We re empty

Bridge:

G C/G EM
Oooooh....

G **Em**
Maybe we re trying
C/G
Trying too hard
Em
Maybe we re torn apart
C/G
Maybe the timing
D
Is beating our hearts
G
We re empty
