[VERSE 2]

**C D A**

So you made that deal yeah you shook it up

Yeah you took that hit, but it s never enough, no it s never enough

Yeah you built it up just to break it down

Said you got real sad cause Iâ€™m never around, oh I was never around

Itâ€™s hard to take it slow when this is who we are

We know we know better we should have learned from the scars, should have learned from the scars

[CHORUS]

Where was I? Where were you?

It was never enough it was just never enough

Tell my now Now letâ€™s go

It was never enough it was just never enough

Where was I? Where were you?

It was never enough
