

I Want Only You
The Cog Is Dead

I Want Only You

Intro:

C F G
Ja
C F G
Up to the top
C F G
That s right
C F G
Here we go
Listen up, now

Verse:

C F G C
Little lady I see you sitting there in your flower garden
F G C
You looking so pretty reading underneath that chestnut tree (So fine)
F G C
I think your goggles and parasol are quite a combination
F G
Why don t you let me come over and keep you company

Chorus:

C F G
I want you to know
C
You re the kind of girl for me
F G
I need you to know
C
You re the only one I see
F G
I must let you know
C
And nobody else will do
F G
Cause I want only you
C
You better believe it s true!

Let me take you around the village in my locomotive
I promise I won t get any soot upon your lovely dress (I swear!)
I am a gentlemen you can trust me that I have pure motives

But you have taken my heart so girl I must confess

Here we go, then
I want you to know
You re the kind of girl for me
I need you to know
You re the only one I see
I must let you know
And nobody else will do
Cause I want only you
Now blow that horn!

Sounds good

Listen what I say!
Girl you so fine, madame won t you be mine
You got me mesmerized wit your brass goggles shine
And a little golden locket with a key and a lock
Your look is so amazing from your hat to your socks
Now I m sure you don t believe I m feeling love at first sight
But that s the reason that I m asking you to join me tonight
We going one then two then three then four
Soon you gonna fall in love with me for even more!

I want you to know (To know)
You re the kind of girl for me
I need you to know (Dat s right)
You re the only one I see
I must let you know (Is true)
Nobody else will do
Cause I want only you
One more time

I want you to know (Listen up now)
You re the kind of girl for me
I need you to know (You now)
You re the only one I see
I must let you know (Just you)
Nobody else will do
Cause I want only you
Only you
