Verse 1:
B
  I m gonna choke when it really counts
F#/**Bb**
    I m gonna get kicked when I m down
     G#m
I ll give you so much satisfaction
              F#
you ll drown in it in it
B
  I m gonna trip at the highest speed
F#/**Bb**
    play so bad your ears will bleed
     G#m
I ll give you so much satisfaction
                F#
that you need to rest just to breathe

Refrain:
    E   **F#**
And all this fighting
     Eb/G   **G#m**
will amount to nothing more
    F#   **E**   **F#**
you bend to break I did it before

```
Chorus 1:
                 B
Is it gonna be easier?
                F#
Is it gonna be more than i can take?
        E                F#
If i surrender if i surrender
                 B
Is it gonna be easier?
                 F#
Is it gonna be more than i can take?
        E                F#
If i surrender if i surrender

Post chorus: B--F#--E-F#--

Verse 2:
B
   My heart breaks and i feel no pain
F#/Bb
      My voice crack yet it s still the same
      G#m
I ll give you so much satisfaction
                    F#
you ll blame yourself for once
B
   Apologize for what i never did
F#/Bb
      my darkest secrets and everything i hid
      G#m
I ll give you so much satisfaction
                       F#
you ll stop your complaining
but i know you never will

(Repeat Refrain)
(Repeat Chorus 1)

Bridge:
G#m                                   F#
   They took from you all they could get
                              G#m
You hold on tight to what is left
      F#/Bb B        F#          E
You ll never give up like you used to
G#m                                   F#
   They took from you all they could get
                           G#m
You hold on what did you expect?
```

```
G#m        F#/Bb B        F#        E
   You ll never give up like you used to
G#m        F#/Bb B        F#        E
   You ll never give up like you used to
G#m        F#/Bb B        F#        E
   You ll never give up like you used to

(Repeat Chorus 1)

Chorus 2:
Is it gonna be
B      F#         E         F#
easier?  easier? easier!!!
       Eb/G               G#m
We ll amount to nothing more
    F#        E                      F#(hold)
You bend to break just like before

Outro:
B
  I m gonna choke when it really counts
F#/Bb                          (hold)
     I m gonna get kicked when I m down
    G#m                 F#    C#/F
I ll give you so much satisfaction
    E          F#         B(hold)
I surrender i surrender to you
```
