The Copyrights

B	G#	E
I wanna die with a worn out passport		
B	F#	E
In the pocket of stolen jeans		
B	G#	E
On a beach somewhere I ve never been before		
B	F#	E
Full of people I ve never seen		

B G# E
And I want my body filled with

B F# E
More alcohol than blood

B G# E
Don t take this as self destructive

B F# E E E E
Because this wish is filled with love

B G# E
So we drank and talked for hours
B F# E
About the places you wanna go
B G# E
I suggested every country in the world
B F# E
And I never heard a no

[stum verse]

B	G#	E
You could never look like a tourist		
B	F#	E
I might as well have maps unraveled		
B	G#	E
I wanna die with a worn out passport		
F#	E	
And I don t really like to travel
