The Coral

The Coral, Eyes Like Pearls

[Verse]

G **F#m**
What do you dream, when the world is on fire
Am **D**
And you re drifting through time, in the space where you lie
G **F#m**
Calling to me through the pain and desire
Am **D**
As the sun s taking flight, you awake to the light

[Chorus]

Am **D** **Bm** **E**
Eyes like pearls in the warmest sea. As deep as the ocean, as wide as the valley
Am **D** **Bm**
All my trouble seem so far away from me
E **Am** **D** **G**
Can t you see i was falling. Now my trouble seem so far away from me

[Interlude]

G **F#m**
Where do you go, when the sky hits the ground
Am **D**
Won t you take me away, to that innocent place

[Chorus]

Am **D** **Bm** **E**
Eyes like pearls in the warmest sea. As deep as the ocean, as wide as the valley
Am **D** **Bm**
All my trouble seem so far away from me
E **Am** **D** **G**
Can t you see i was falling. Now my trouble seem so far away from me

[Solo]

Am **D** **Bm** **E**
Eyes like pearls in the warmest sea. As deep as the ocean, as wide as the valley
