(Intro Riff)

Verse:

I m gonna get the gothest girl I can
Black lips and Bettie Page bangs
Horn rimmed glasses and an ass that ll pass
For a glimpse at the promised land

She s kinda into all things noir
Wants me to get a pompadour

Well, maybe baby, but she ain't no lady
She's the gothest girl I can

Chorus

Bridge:

D **A**
I live right, I live good like a nice boy should
E7 **A**
I put my trust in our Lord's plan
D **A**
I live right, I live just like a young boy must
B7 **E7**
Like I should, but I tell ya, man
D **A**
Somethin's gotta give 'cause the right way to live
E7 **A**
Isn't hittin' it, you understand
D **A**
I need a wild, wild lover, the kind that scares your mother
F7 **E7**
I need the gothest girl I can

(Solo over Chorus chords)

Verse:

Thrift store vampire chic
It's night every day of the week
Stop, stare, dead flowers in her hair
She's the gothest girl I can

She got old skool blue tattoos
And big black boots on, too
Polka dot dress and flames on her chest
She's the gothest girl I can

It's kinda hot when she calls me doll
And daddy at the swing dance ball
She's neat, nifty like nineteen fifty
She's the gothest girl I can

Chorus

Ending:

C **C** **A**
