

**Dreaming Again**  
**The Coronas**

Intro: **D, G, D, A, D, G, D, A, D**

Verse:

**D**                    **G**  
I can feel a few things  
**D**                    **A**  
Brewing up in my mind  
**D**                    **G**  
And it s all consuming  
**D**                    **A**                    **D**  
I ve left what I once was behind

**D**                    **G**  
See I ve had it so easy  
**D**                    **A**  
Or at least I misunderstood  
**D**                    **G**  
But kissing her made me greedy  
**D**                    **A**                    **D**  
Now I want her much more than I should

Chorus:

**G**                    **D/F#**  
Desire has disturbed my slumber  
**G**                    **D**  
And I forgot how it felt  
**G**                    **D/F#**  
To want something so much that it hurts you  
**A**  
You wouldn t dream to dream of anything else

**D G D A Bm9 G D A**  
Oh Oh...

Verse:

**D**                    **G**  
On the off chance it could be  
**D**                    **A**  
I let my ego be brave  
**D**                    **G**  
I said I think that youâ€™re lovely  
**D**                    **A**                    **D**  
I was never one for playing games anyway

Chorus:

**G**                    **D/F#**  
Desire has disturbed my slumber  
**G**                                    **D**  
And I forgot how it felt  
**G**                                    **D/F#**  
To want something so much that it hurts you  
   **A**  
You wouldn't dream to dream of anything else  
  
**D G D A Bm9 G D A**  
Oh Oh...

Solo: **D/F#, G, D/F#, G, D/F#, G, A**

Chorus:

**G**                    **D/F#**  
Desire has disturbed my slumber  
**G**                                    **D**  
And I forgot how it felt  
**G**                                    **D/F#**  
To want something so much that it hurts you  
   **A**  
You wouldn't dream to dream of anything else  
  
**G**                    **D/F#**  
Despite all my previous efforts  
**G**                                    **D**  
I don't regret anything  
**G**                                    **D/F#**  
Cause if I spend all my time dreaming of her  
   **A**  
At least I am dreaming again  
  
**D G D A Bm9 G D A**  
Oh Oh...
