I'll be proud to be like you

Be like you
(I'll be proud to be like you)

(same as verse 1)

Does the sun shine up at you when you are looking down?
Do you get along with the others around?

It's got to be better than before
You don't need to worry now you're gone

Forever angel
I hope they love you like we do
Forever angel
I'll be proud to be like you
Be like you
Just like you

Forever angel
I hope they love you like we do
Forever angel
I'll be proud to be like you

Forever angel
I ll be proud to be like you
Forever angel
I ll be proud to be like you
