Black is the colour of my true loves hair

C D Em

His lipes are like some roses fair

C D Em

He has the sweetest smile and the gentlest hands

Am Bm Em

And I love the ground whereon he stands

C D Em

I love my love and well he knows

C D Em

I love the ground whereon he goes

C D Em

I wish that day would soon come

Am Bm Em

When he and I can be as one

(solo) C D Em

C D Em

I go to the Clyde and I mourn and weep

C D Em

And suffer death ten thousand times

C D Em

Black is the colour of my true loves hair

C D Em

His lips are like some roses fair

C D Em

He has the sweetest smile and the gentlest hands

And I love the ground whereon he stands
