Intro:
G   Dsus   C

Verse:
G   Dsus   C
   It doesn t really matter now you re gone
G   Dsus   C
   You never were around that much to speak of
G   Dsus   C
   Didn t think that I could live without you, baby
G   Dsus   C
   It couldn t be that hard to live alone

Prechorus:
        Em   C
But I m all, all alone again
        Em
Thinking you will never say
              C   D
that you ll be home again

Chorus:
                    C
And it s gonna be a long night
                G   D
And it s gonna be cold without your arms
                C   G   D
And I m gonna get stage fright caught in the headlights
              C
It s gonna be a long night
                G   D
And I know I m gonna lose this fight

Verse:
```
G                        Dsus        C
   Once upon a time we fell in love
G                              Dsus          C
   And I thought that I would be the only one
```

Prechorus:
```
            Em          C
But now I m on, on my own again
            Em
Thinking you will never show
            C    D
you won t be home again
```

Chorus:
```
                    C
And it s gonna be a long night
                    G                D
And it s gonna be cold without your arms
                    C                        G     D
And I m gonna get stage fright caught in the headlights
                C
It s gonna be a long night
                    G          D
And I know I m gonna lose this fight
C
Lost in your arms baby,
D
Lost in your arms
```

```
Em              C/D   Em/D  A7sus4
Em              C/D   Em/D  A7sus4
Em              C/D   Em/D  A7sus4
Em              C/D   Em/D  A7sus4
```

Prechorus:
```
            Em          C
But now I m all on my own again
            Em
Thinking you will never show
            C    D
you won t be home again
```

Chorus:
```
                    C
And it s gonna be a long night
                    G                D
And it s gonna be cold without your arms
                    C                            G     D
```

```
And I m gonna get stage fright caught in the headlights
                    C
It s gonna be a long night
                         G            D
And I know I m gonna lose this fight
                    C                                        G      D
And I m gonna get stage fright caught in the headlights
                    C
It s gonna be a long night
                         G            D
And I know I m gonna lose this fight
        C
I m lost in your arms baby,
D
Lost in your arms
