Corrs - Time Enough For Tears

Let s [A] read the trees and their [A] autumn leaves,
[E] As they fall like a [E]dress undone
At the [A] end of summers [A]love will find lovers
[E] Who need the shadows of a [E]winter s sun

Don t [A]tell me you re leaving we can [A] hide in the evening
[E] It s getting darker than it [E]should
If we [A] read the leaves as they [A]blow in the breeze
[E] Would it stop us now my [E]love

Time e[A]nough for hard [A]questions
Time e[E]nough for all our [E]fears
Time is [A]tougher than we both [A]know yet
[E] Time enough for [E]tears

The [A] moon is milk and the [A]sky where it s split
Is [E]magic, and we [E]all need to believe
we can [A] Wake in the dream it s not as [A] hard as it seems
[E] You know it s harder to [E]leave

Time e[A]nough for being [A]braver
Time e[E]nough for all the [E]fears
Time is [A]tougher than we both [A]know yet
[E] Time enough for [E]tears

[Bm] I heard you [A]say under[D]neath your breath
[E]some kind of prayer
[Bm] I heard You [A]say under[D]neath your breath
that you [E]never wanna feel
This way about [E]anybody else [E]

[A] [A] [E] [E]
[A] [A] [E] [E]

Time e[A]nough for hard [A]questions
Time e[E]nough for all our [E]fears
Time is [A]tougher than we both [A]know yet
[E] Time enough for [E]tears

Time e[A]nough for being [A]braver
Time e[A]nough I love this time of [E]year
Time is [A]tough it s running a[A]way from us
[E] Time enough for [E]tears
Time enough
