Fox On The Run The Country Gentlemen

You play this song by doing this: pluck strum, pluck strum

E B7 F#m A F#m

She walks throught the corn leading down to the river, her hair shown like B7 A E B7 F#m

gold in the hot mornin sun. She took all the love that a poor boy could A F#m B7 A E A

give her and left me to die like a fox on the run. Like a fox, like a fox, like a fox, like a fox, on the run.

The versus are played the same way except the chords are like this

A E B E A E F# B A E B E A E B E

Then you start back into the chorus

I hope this helps you, it is how i learned it, it is very chordy
