Em A
but I m dying to go down

D
I don t know if I should
Em
Come see you
A
For you i am falling
D
I am young
D
I need life
Em
More than I need a wife
G A
The good times are calling me

D, Em, G x2

D, Em, A x2

Do you remember the days when you dropped all your weight?
Those were the days we would stay up for 3 straight
All the boys looking sharp
Top of the class
All the girls seem Blondie
With their hearts of glass

I don t know if I should
Come see you
For you i am falling
I am young
I need life
More than I need a wife
The good times are calling me
