helloo dudes and dudettes :)

this song is a B-side to you over did it doll but it should be released as a single as i think it is imense :)

im pretty sure the chords are about 100% right if theres any corrections dont abuse the tab just comment thank you !

this is like what would be guitar 2 but it starts the song :)

e-----	
B-----	**where it goes 9-9 etc it
G-----	same pattern but it looked
D---99997---111111119-----	weird with the 11
A---99997---111111119-----	
E---77775---9-9-9-9-7-----	this is repeated threw out the song unitl later on

after going threw guitar 2 parts twice in kicks guitar 1 with distortion on

e-----	
B-----	**where it goes 9-9 etc it
G---99997---111111119-----	same pattern but it looked
D---99997---111111119-----	weird with the 11
A---77775---9-9-9-9-7-----	
E-----	

thats about it and where the songs dies down and turns into a build it is just each power chord (if ya get me). if not just say in comments and ill put it in :)

right thats the chords im working on the rest of the song now
