

**He Came Looking For Me  
The Crabb Family**

Credit goes to my dad for figuring most of this one out:)

Intro: **C-F-C**

Verse 1: One night while on life s raging sea,  
It looked as if I would suffer defeat.  
As the blackness of night closed off the light  
My heart sank with fear.  
My desperate cry rang out with fright;  
All I could see was no hope in sight.  
With faith all but gone  
I met the One who came looking for me.  
Chorus: He came looking for me, He came looking for me.  
He made a way when there was no way that I could see.  
When I drifted far Jesus was near,  
To rescue my soul and calm all my fears  
Now I m safe from all harm for I met the One  
Who came looking for me.  
Verse 2: Satan had already picked out my grave,  
His plan had moved forward to put me away.  
I drifted far, would anyone care that I d soon be lost.  
I knew my destruction was a matter of time,  
But Jesus appeared and said this one is mine.  
Now I m safe from all harm for He walked through the storm  
When He came looking for me.(Chorus)
