

**Show Me The Way**  
**The Cranberries**

Song: Show Me the Way  
Band: The Cranberries  
Album: Roses (2012)  
Chorded By: ultimatelefty

This was the first one that I heard off of the new album Roses, and it s a pretty good song! I m not sure if any of it is correct, and with all the other instruments and parts in the song, it s kind of hard for me to make out the chords, but this is about as correct as I can make it sound. Please send corrections if you think you could do better, and please rate, comment, and enjoy!!
