

**Still Do**  
**The Cranberries**

Segue os mesmos acordes em toda a música: Am C D Em

Intro- **Bm D E F#m**

I m not ready for this  
Though I thought I would be  
I can t see the future  
Though I thought I could see

(Refrão)  
I don t want to leave you  
Even though I have to  
I don t want to love you  
I still do

Need some time to find myself  
I wanna live within  
Can I go my own way  
Can I pray my own way  
I don t want to leave you  
I need you  
Am I ready for this  
Did I think I would be  
Can I see the future  
No, I can t see
