When
When will the icicle melt,
And when
When will the picture show end
I should not have read the paper today
Cause a child, child he was taken away

There s a place for the baby that died
And there s time for the mother who cried
And she will hold him in her arm sometime
Cause nine months is too long

How could you hurt a child
Now does this make you satisfied
I don t know what s happening to people today
When a child, he was taken away

There s a place for the baby that died
And there s time for the mother who cried
And she will hold him in her arm sometime
Cause nine months is too long

There s a place for the baby that died
And there s time for the mother who cried
And you will hold him in your arms sometime
Cause nine months is too long
