When  
When will the icicle melt,  
And when  
When will the picture show end  
I should not have read the paper today  
Cause a child, child he was taken away

There s a place for the baby that died  
And there s time for the mother who cried  
And she will hold him in her arm sometime  
Cause nine months is too long

How could you hurt a child  
Now does this make you satisfied  
I don t know what s happening to people today  
When a child, he was taken away

There s a place for the baby that died  
And there s time for the mother who cried  
And she will hold him in her arm sometime  
Cause nine months is too long

There s a place for the baby that died  
And there s time for the mother who cried  
And you will hold him in your arms sometime  
Cause nine months is too long
