

**Twenty One**  
**The Cranberries**

[Intro]    **E   F#   Ebm   E**  
             **E   F#   Ebm   E**

**E                    F#                    Ebm                    E**  
I don t think it s going to happen anymore  
             **F#                    Ebm                    E**  
You took my thoughts from me, now I want nothing more  
                         **F#                    Ebm                    E**  
And did you think you could just take it all away  
             **F#                    Ebm                    E**  
I don t think it s happening, this is what I say  
             **F#                    Ebm                    E**  
Leave me alone, leave me alone, leave me alone  
   **F#                    Ebm                    E**  
Cause I found it all, twenty-one, twenty-one, twenty-one

[Solo]    **F#**

**E                    F#                    Ebm                    E**  
So I don t think it s going to happen anymore  
             **F#                    Ebm                    E**  
I don t think it s going to happen anymore  
             **F#                    Ebm                    E**  
Twenty-one, twenty-one, twenty-one  
             **F#                    Ebm                    E**  
Twenty one, twenty-one, twenty-one  
**E    F#    Ebm   E    E   F#   Ebm   E   F#**  
Today, today,        today, today  
             **E    F#    Ebm   E**  
Twenty one, twenty-one
