

Wake me when it's over
The Cranberries

Intro: Em C Am D

Em C Am
Trying to forget
D Em C Am D
Something that you know
Em C Am
It hasn't killed you yet
D Em C Am D
But you cannot let it go.

I'm trying to exist
Trying not to scream
How it does persist
Entrapped inside a dream

Em C Am
Fighting's not the answer
D Em C Am
Fighting's not the cure
D Em C Am
It's eating you like cancer
D Em C Am
It's killing you for sure

D Em C Am
So wake me when it's over
D Em C Am
Wake me when it's over
D Em C Am
Wake me when it's over
D Em C Am
Wake me when it's over

Em C A D

Living in the past
It's difficult to hide
Some things will never last
When you're swallowing your pride

Em C Am
Fighting's not the answer
