

Sleep Tight
The Creepshow

My first tab, I kind of did this by ear. It probably has some tweaks, I would appreciate some feedback in that area, maybe some suggestions.

No Capo

These are the chords I use, but again any suggestions are welcome.

F	Dm	Bb	C7(?)
--1----	1-----	1-----	-----
--1----	3-----	3-----	1-----
--2----	2-----	3-----	3-----
--3-----	-----	-----	2-----
-----	-----	3-----	-----
-----	-----	-----	-----

Undead eyes...

INTRO:

F Dm Bb C7

VERSE:

F
You made a promise
Dm
a promise to me
Bb
my darling angel
C7
you just couldn t keep

F
I just wanted to love you
Dm
have you forever
Bb
being together
C7
just you and me

But you couldn t take it
didn t want me no more
now my body is hiding
cold under your floor

And now that it s over
you re never alone
so sorry to tell you
this is where I belong

CHORUS:

Bb

Oh, sleep tight my boy

C7

you should ve though it out

F

oh you can t kill a girl

A A7 A

without her soul sticking around

Bb

Oh sleep tight my boy

C7

I ve been watching

C

F

with undead eyes

(undead eyes)

VERSE:

F

Well I pleaded and I cried

Dm

I don t wanna die tonight

Bb

but you didn t listen baby

C7

when you put out my lights

Oh, little did you know

Our true love would last

when you ripped my bloody heart out

and you threw it in the trash

CHORUS:

Oh sleep tight my boy

you should ve though it out

you can t kill a girl

without her soul sticking around

Oh, sleep tight, my boy

I ll be watching

With undead eyes.

F F7

BRIDGE:

Dm

It don t matter boy

A7

if you re begging me to leave

Bb

well, it looks like

F

love has knock you right down on your knees

You silly boy

you should ve listen as I screamed

well you thought that you avoided it all

and now I m all that you see

CHORUS:

Oh sleep tight my boy

you should ve thought it out

you can t kill a girl

without her soul sticking around

Oh sleep tight my boy

I ll be watching

with undead eyes...

END:

F Dm Bb C7

Undead eyes

F Dm Bb C7

Undead eyes

F Dm Bb C7

Undead eyes

F Dm Bb C7 Dm(?)

Undead eyes
