

Take My Hand
The Creepshow

Take My Hand " The Creepshow

Tabbed by: Jessmo
Email: v52b1@unb.ca

Major props to crazyfoo88 s video on youtube; an amazing close up angle on Sarah

Sin let me figure out this song no problem
Listen to the song to get the timing. This is a really simple and fun song to play

Tuning: Standard

Intro

C5 G#m x4

C **Am**
Close your eyes and go to sleep my boy
F **G**
Lay your pretty head to rest
C **Am**
This nightmare s close to being over
F **G#m** **G**
Welcome to the world of the undead

C
We ll leave these souls behind
Am
wandering together with bloody eyes
F **G#m** **G**
All the way across this land
C
Lurking through the streets the
Am
living dead babe that s you and me
F **G#m** **G**
I know you re scared so take my hand

F **G**
This is a hell bound ride but the Devil s on our side

C5 G#m C5 G#m

F

Don t be afraid my love,

G

it s just a little bit of blood

C5 G#m C5 G#m G

C

Am

When the sun begins to rise

F

that s when we call it a night

G#m G

Sleep soundly through another day

C

Am

When night comes closing in our evil will wake us from within

F

G#m G

Hungry for taste of our human prey

F

G

This is a hell bound ride but the Devil s on our side

C5 G#m C5 G#m

F

Don t be afraid my love,

G

it s just a little bit of blood

C5 G#m C5 G#m G

F

G#m G

Vampires in the night

F

G#m G

Creepin up on you, you better run and hide

F

G

This is a hell bound ride but the Devil s on our side

C5 G#m C5 G#m

F (strum once)

Don t be afraid my love,

G (strum once)

it s just a little bit of blood
